According to the District Board election rules already approved there will be only an interval of about 15 days for printing the voting papers. The Superintendent of the Government Press who was consulted informally in regard to the printing of the voting papers with the symbols assigned, want to have copies of the pictures of the symbols used in Bombay so that he may be ready with the blocks for the symbo to be used for the District Board elec tions. In the short time at the dispo of the Deputy Commissioners it would not be possible for the Government pres to print the voting papers for all the District Boards and send them ~~to the Deputy Commissioners~~ in time. There ar private presses in all the District -- headquarters. The work would be very much facilitated if the printing of the voting papers is got done in private --- presses in all the District headquarters except ~~at~~ Bangalore and Mysore where the Govt. presses may attend to this work.
